UUM, UiTM postpone exams

ALOR STAR: Universiti Utara Malaysia (UUM) is making arrangements for students who had missed their examinations because of the floods to take them later.

UUM Vice-Chancellor Prof Datuk Dr Mohamed Mustafa Ishak yesterday said these students could contact the Department of Academic Affairs (JHEA).

"Students will be informed of the new date for the examinations."

Mustafa said JHEA Examination Unit would identify and verify students who did not sit for the examinations, which were scheduled from Dec 20 to Jan 15.

In Shah Alam, Universiti Teknologi Mara (UiTM) yesterday announced the postponement of the final examinations at its Kota Baru and Machang campuses in Kelantan.

UiTM Vice-Chancellor Tan Sri Prof Dr Sahol Hamid Abu Bakar said the examinations at these campuses would begin on Jan 8.

According to UiTM's website, the final examination for students taking its bachelor's degree, master's degree and doctorate programmes for the 2014/2015 academic session had initially been set to begin tomorrow until Jan 19.

Sahol reminded Kelantan UiTM students not residing in Kelantan that they were not allowed to sit the final examination at other campuses.

The final examination had been postponed because of the floods in the state. Bernama
