UNIVERSITY Sains Malaysia (USM) and University of Ruhuna, Sri Lanka signed a Memorandum of Understanding to enhance cooperation in the field of academic research and technology.

USM deputy vice-chancellor (Academic and International Affairs) Prof Datuk Dr Ahmad Shukri Mustapa Kamal said the collaboration would involve higher education, research at international level and joint research activities.

"The MoU marks a significant development in the successful collaboration of both universities six years ago. Since then, 64 students from Sri Lanka have studied at USM. I hope that with this agreement, USM will become a popular destination for higher education for postgraduates from Sri Lanka," he said after the signing ceremony at the USM campus in Penang, recently.

USM was represented by Prof Ahmad Shukri and the Sri Lankan varsity by its Faculty of Humanities and Social Sciences dean, Prof S Wawwage. Prof Ahmad Shukri said the MoU was an opportunity for both institutions in the bridging of knowledge between local experts and Sri Lankan researchers and would create the best scientific partnership. The pact would also generate knowledge, disseminate goodwill and strengthen ties between both institutions and nations, he said.

Meanwhile, Universiti Utara Malaysia (UUM) made Malaysia proud after finishing 10th out of 28 countries, in the 2016 World University Golf Championship, held in Brive-La-Gaillarde, in France. Two players from the UUM National Golf Academy, Muhammad Afif Muhammad Razif and Nurul Shaharah Nasir Saparuddin, finished in 9th and 12th places in the men's and the women's individual categories. The championship last month saw the participation of 130 golfers. The biennial championship would be hosted by the Philippines in 2018. - Bernama.
